Gracious God, on this Memorial Day weekend, we remember and give thanks for those who have given their lives in the service of our country. O God, you yourself have taught us that no love is greater than that which gives itself for another. Help us to honor their memory by caring for the family members they have left behind, by ensuring that their wounded comrades are properly cared for, by being watchful caretakers of the freedoms for which they gave their lives, and by demanding that no other young men and women follow them to a soldier's grave unless the reason is worthy and the cause is just. Though their names may fade with the passing of generations, may we never forget what they have done. Amen.
